## EDITORIAL

**W**hen I was a teenage boy and eager to discover the wild world of women, I used to rootle around the local woods and undergrowth in search of discarded porn mags. One time I found a hardcore one which made me the undisputed king of the playground, but mostly we found *Club*, *Men Only*, *Mayfair*, *Razzle*. I like to think it was a healthy thing. But now? You won't find much paper grumble in the woods. No, it's all dongles full of jpegs, discarded USB sticks with sexy GIFs and laptops full of Japanese subway bukkake these days. Shame...

Dear Club,

Anne and I share a flat. We're both student nurses and as we have to study and work we have little time for socialising. Since we are two healthy 19-year-olds with pretty high sex drives, this used to be a bit of a problem, but not now. Anne is blonde and curvaceous, her large tits, narrow waist and softly rounded hips make her a hit with most of the male patients and younger doctors. I'm brunette, and I suppose you could describe me as being more of an athletic build.

It was not until one day when Sister told us to give a female patient a bed bath that I realised that Anne was bi-sexual. The patient was a very pretty 22-year-old woman named Sally who had received minor injuries in a car shunt. We had worked for the past two months on the male surgical ward and had

often had to give the male patients bed baths. Anne had always been professional and efficient on these occasions. Her attitude and demeanour towards this female patient, however, was quite different.

Having snapped on some latex gloves, we were working from opposite sides of the bed, washing Sally from the feet up. Together we sponged her thighs, soaping them first then washing it off. It was then that I noticed Anne was working far more slowly than usual. Her hands seemed to be caressing rather than washing, her fingers trailing against the woman's skin.

It was a revelation! I would never have guessed that my flatmate had lesbian tendencies. The sight of her hands stroking the soft flesh of the other woman's inner thighs really turned me on, and I could feel my

panties dampening as I struggled to keep my mind from racing. Sally seemed to be enjoying Anne's attentions, spreading her legs a good bit further than was necessary.

As Anne's sponge reached her genital area, Sally gave a low moan. Anne soaped and sponged her snatch using circular motions before abandoning her sponge and rubbing her finger down Sally's soapy slot. Almost unable to believe what I was seeing, I stood rigid, watching my sexy flatmate's fingers fondling the patient's soapy slit.

Anne glanced across to me. Her expression told me she'd guessed my feelings for her. Sally was now grinding her pussy onto Anne's hand as Anne began to frig her. Feeling hot and horny, I abandoned any pretence of helping with the patient's ablutions and moved over to Anne and began stroking her nipples through the fabric of her uniform.

As she had no objection to this, I unbuttoned the front of her uniform and pulled up her bra. Positioning myself behind her, I took a nipple in each hand and squeezed gently as she wanked Sally's lathered pussy. Anne's gloved fingers were pumping in and out of Sally's cunt now, stimulating her very deliberately toward orgasm. Incredibly aroused, I ground my pubic mound into Anne's buttocks while rolling her nipples between my fingers. As Sally climaxed, Anne leaned forward and began licking at her convulsing pussy, her mouth sucking and slurping as she lapped Sally's juices.

The water was getting cold, so Anne and I hastened to complete our task before Sister checked up on us. That evening when we got off duty, Anne and I walked back to the flat together holding hands. When we were inside the door she kissed me, parting her lips slightly as her tongue flicked across mine. She wrapped her arms around me, deepening the delicious kiss as our breasts pressed together.

Kneeling in front of her, I ran my palm up Anne's leg beneath her uniform skirt. Pushing her skimpy panties aside, I gently pressed my lips to her swollen pink labia, sucking as her juices smeared my face. My tongue lapped at her sweet-tasting pussy as she moaned softly and parted her thighs wider for me.

She gasped as I spread the musky lips of her love-nest to reveal the rosy bud of her clit. Flicking my tongue across it as I inserted my finger, she caught her breath sharply as it slid

## READER'S WRITES!

Dear Club,

I have been a huge fan of the "Reader's girlfriend" feature for ages. It's always a joy seeing a new girl appearing nude. That said I am disappointed that the feature seems to be morphing into a feature for up and coming adult stars (Sapphire and Stella from edition 44/02 spring to mind). If they are that good then they should be in your magazine anyway and not in the "reader's girlfriend" section. As always, great magazine and great girls, even if they are taking over the amateur section!

Michael Smith, via email

*Fair point Michael, but it's largely because we just don't get the number of Reader's Girlfriends submissions we once did. When I was a fledgling sub on Club back in the 90's, I used to sort through dozens every month to find the cream.*

*Maybe it's the Internet spoiling things, or maybe girls don't want their photos plastered everywhere, but we don't get the range we used to. Consider this a call to arms, girlfriends of the UK!*

## GREEN, GREEN ASS!

*Dear Club,*

I thought you had the mix just right in the latest *Club* (issue 44/3). Our lovely regular girl Dani, fellow Brit Emma, the amazing Ryan and then a bunch of brand new girls. I don't know how you keep finding them. One small gripe though – I want to see Dani with Emma. Can you make that happen?

*Andrew, Taunton*

*We appreciate the kind words, Andrew. We'll try and make that happen, who knows what the future holds for dirty Dani!*

into the warmth of her cunt-hole. Sliding another finger into her, I finger-fucked her with a series of gentle probing motions before pushing a third finger into her anus. My tongue moved rapidly over her erect clit, suckling at its plump length.

Removing my fingers, I pushed my tongue into Anne's pussy, wiggling it as deep as I could into the hottest depths. Then, slurping along the length of Anne's slit, I inserted two fingers and began sucking and frigging her simultaneously. I could feel her pussy close around my fingers as she verged on the brink of orgasm.

She groaned then, and gasped loudly. Her body convulsed, and pushing her hips forward she climaxed hard. Removing my fingers I sucked deeply on Anne's love juices, inhaling her heady aroma. As I licked the last of her fluids from my fingers, I rose and placed a long tender kiss on her lips. That night Anne returned the favour and made me cum repeatedly, and as we lay together on the single bed in my room, we resolved to save up and buy a double!

**D**ebutant Chloe is one of those girls with a charmed life. She's 19, cute, lives in sunny LA and now she's been picked to open an issue of *Club*. Where did it all go wrong?

"Hey, it's not all gravy," she says in her cute giggle of a voice, "I broke my iPhone this morning, and my car is in the shop. Apart from that, I can't really moan. I mean, here I am with no clothes on, a

photographer, the sun warming my butt, it's a good day."

Indeed it is.

"And tonight my friend Dee has promised to take me to my first swinger's party in the hills. I've always been a one guy kind of girl, but I think it's time to explore my sexuality a little. I'm always horny, so maybe one guy just isn't enough for me!"

**This month, Matt Loxham writes about three sports best viewed from the couch. No wonder he likes them so much...**

## The Boat Race

**The River Thames: Putney to Mortlake – April 11<sup>th</sup>**

**F**or some reason I've always been an avid fan of the Cambridge versus Oxford Boat Race, particularly when it takes place on the same day as the Grand National. Watched back-to-back these very different events make for a singularly unique spectacle, morbidly compelling and spectacularly exciting in equal parts. Will the teams clash oars, or even sink? How many horses will fall? Is some mad fucker going to try and swim out and stop the boats? And will the Grand National starter make a bollocks of it again and let the runners gallop off at the wrong time? The potential for things to go wrong is just so, well, morbidly compelling.

But then again few sporting spectacles can match that of two committed crews going head to head around the brutal and decisive Surrey Bend, or of a couple of exhausted equine

heroes slogging their guts out as they pass the elbow on the most punishing finish in horse racing. Maybe it's a British thing. This might be a balls-up or it could be incredible, whichever way it's ours and we're going to enjoy ourselves regardless.

In reality the University Boat Race, despite sounding like a student jolly-up on the Thames, is a very international and very professional event featuring some of the most talented and carefully assembled crews in the business. Oxford's winning team last year featured only a trio of British rowers, with the rest of the eight hailing from Canada, New Zealand and America. Three were former Olympians, and apparently one was even studying for a genuine degree. This is a high quality rowing race but with entertaining quirks, including rogue swimmers, oar collisions and even full-on sinkings. Some watch it for the former, most for the latter, many don't care who wins, but all will enjoy the spectacle – and that's the joy of the Boat Race.

## The Grand National

**Aintree Racecourse – April 11<sup>th</sup>**

**T**he Grand National might not be the highest quality event in jump racing, but it's probably the most exciting – 40 horses of a range of ages and abilities attempting to negotiate 30 very big fences across a four and a half mile slog with varying degrees of success. Bearing in mind this is a race that has tried to clean its act up across the last couple of decades, with entry-criteria tightened and famous obstacles such as The Chair and Becher's Brook pared down to make them safer for both horse and jockey, it can still make for a fairly gut-wrenching watch.

Plucky equine contenders leap over and plough through fences at high speeds and many hit the deck in flailing, angular heaps. Indeed, only half of the starters can expect to get round two laps of the Aintree course, and some might not make it back to the stable.

Whether you consider it a cruel spectacle or a thrilling sporting occasion, the vital stats say that 600 million people across the world will tune in to watch and over 150 million pounds will be wagered in the UK alone. Attempts to get the race banned don't look likely to succeed any time soon, and if they did punters, bookies and housewives enjoying their annual flutter would probably riot. Or at the very least moan a bit on Twitter.

Sensible people planning to wager their well-earned on the National will want to ask a series of questions before making their educated guesses. Does the horse stay? How much weight is it carrying? Is it a sound jumper? Those wishing to make a charitable donation to Paddy Power and William Hill will back the grey one, go for a funny name, choose a good jockey or simply stick a pin in the newspaper and hope for the best. Interestingly, however, one of the legitimately fancied runners this year is also called something daft, meaning punters both savvy and silly could be counting their cash.

Shutthefrontdoor won the Irish Grand National last year and looks likely to be partnered by the legendary Tony McCoy for the Aintree showdown. Boasting the right kind of form, partnered by a brilliant rider, and named after a phrase annoying people

such as will.i.am from off of *The Voice* use to feign surprise, it would be no shock to see this one romping home to give Ladbrokes a lashing. This being the National it would also be no shock to see it fall at the first...

Other genuine and high-class hopefuls include last year's Cheltenham Gold Cup first

## The US Masters

Augusta National Golf Club  
- April 9<sup>th</sup> to 12<sup>th</sup>

**S**pring has sprung and the first golfing major of the year is upon us, and if you're a fairway fan there'll be no frolicking around outside in the daffodils when this tournament hits the telly. A long weekend spent watching top-class golf is akin to being in a beautiful sporting cocoon, an escape from the realities of life to a place where hitting a small ball at a hole is all that matters. Leave the real world behind and let the voice of Peter Alliss guide you through the absorbing action, his lilting tones drifting off every so often to wax lyrical about cloud formations or to announce the arrival of a pork pie in the commentary box.

On the course, the main focus will be on Rory McIlroy. This is the only major that the current

McIlroy and has gone close at all the majors, and Bubba Watson added a second Masters title to his name when he cruised home by three shots at Augusta last year. England's Justin Rose proved he had major pedigree when he scooped the U.S. Open back in 2013, while Aussie Adam Scott took the Masters in the same season and will be desperate to win back the top spot McIlroy nabbed from him at the back end of 2014. This one could be an absolute cracker, so take your comfiest seat and keep sustenance handy... ♣

**“Peter Alliss’ lilting tones drifting off every so often to wax lyrical about clouds or the arrival of a pork pie in the commentary box”**

Lord Windermere and multiple big race winner Many Clouds, although both are likely to be saddled with big weights for their success. 2014 Grand National winner Pineau De Re will have a similar burden, along with the fact his form has pretty much gone to shit this season. Boston Bob, Back in Focus, Unioniste, Dynaste... Convincing arguments could be made for approximately half the entries, and approximately half of these will most likely end up on the turf or pulled up. It's the race that divides the nation but not the bookies – they just collectively rake in the cash.

number one has yet to win, and the man from County Down will be desperate to be donning the famous green jacket on Sunday evening. Significantly, a long-running dispute between McIlroy and his former management company was settled recently to allow him to focus on preparations for the Masters, meaning there should be no excuses come the big tee-off.

Similar to the Grand National, betting on golf tournaments can be a complete lottery, with big names sloughed off at the cut and relative unknowns carrying hopes into the final round. Henrik 'Mr Consistency' Stenson is currently ranked second behind

## RATINGS:

★ WOLVERHAMPTON ★★ WOLF CREEK ★★★ WOLF OF WALL STREET ★★★★★ WOLF BLASS ★★★★★ WOLF HALL

## Wolf Hall

(2entertain, DVD £17.50, Blu-ray £20.50)

The first thing to get out of the way is to acknowledge that *Wolf Hall* and *Bring Up the Bodies* are works of fiction by author Hilary Mantel. Fantastic works of fiction but, as the author herself has stated again and again to tedious critics, her's is a version of Thomas Cromwell, not the definitive historical article. There's little doubt that she makes him the hero of the piece – a family man as well as a ruthless exerciser of his master's power, whether that master be Wolsey or Henry VIII – but it does make a nice change from the dominant narrative elsewhere of Cromwell as merely a cruel tyrant.

The BBC have gone to town on this – perfectly aged costumes, murky rooms lit by candles, ripe actors. Mark Rylance is tremendous as Cromwell, and the scenes where he knocks heads with Thomas More (Anton Lesser), Henry (Damian Lewis) and Anne Boleyn (Claire Foy) are to be cherished. Those who find medieval history a drag are in for a thrilling primer, as the battle between King and Pope for who is the head of state churns in the foreground. The great families of England jostle for place at court, women aiming to catch Henry's eye and deliver him the son he craves. Cromwell keeps them at arm's length, knowing that he will go down with his master, knowing they have little respect for a blacksmith's son, but they certainly have fear of his machinations. ★★★★★

## Nightcrawler

(Entertainment One, DVD £12.50, Blu-ray £17.75)

The Oscars find fresh ways to wind up the discerning movie fan every year, and this year's big story was their snub to *Nightcrawler*. In a year when American Sniper was in consideration – a one-dimensional piece of pro-American propaganda – this movie should have been up there, and Jake Gyllenhaal should have been up for best actor. He throws in a career best performance as Lou Bloom, a freelance crime journalist turning up at crime scenes and filming the grisly results. It's a murky moral world and Bloom is just the man for it, a man with a tenuous grasp on what's right and what's wrong. Director Dan Gilroy captures it with aplomb, making the outdoors seem claustrophobic, the indoors even worse. ★★★★★

## The Imitation Game

(Studiocanal, DVD £10 Blu-ray £13)

Anyone who's up to speed on their World War Two history, with specific reference to codebreaking, will need little convincing that Alan Turing is a national hero. Throw into the mix his pioneering work in computer science and you've got a ready-made biopic. But the story gets deeper when you also stir into the pot his homosexuality and his disgraceful treatment at the results of a deeply reactionary and shockingly ungrateful British establishment.

Benedict Cumberbatch does a deservedly praised turn as Turing, and gets strong support from Kiera Knightley, Charles Dance, Rory Kinnear and Mark Strong. Historical sticklers may feel that the cracking of the Enigma codes was more of a collaborative effort, but allow a fine film a little licence. ★★★★★

## Mr. Turner

(Entertainment One, DVD £14 Blu-ray £17.75)

Timothy Spall's committed performance is the main reason to watch the latest from Mike Leigh. It's full-blooded, grumpy, guttural and compelling, and his relationship with Lesley Manville superbly explored. But the film has its weaknesses too, with some characters given short shrift and others one dimensional. ★★★

## Leviathan

(Artificial Eye, DVD £11 Blu-ray £14)

Many critics were surprised that this didn't walk away with the best foreign film Oscar – maybe they didn't want to reward Russia. But Andrey Zvyagintsev's movie is actually a lyrical, profound attack on modern Russia, on the endemic corruption, on the vodka-soaked lives. It will not sell many holidays. ★★★★★

## The Babadook

(Icon, DVD £9.99 Blu-ray £11.99)

An instant minor classic horror, Jennifer Kent's recent movie works on several levels. It delivers proper visual chills and jumps, but is also a probing psychological movie. Is The Babadook real, or is it all in the mind of grieving mother Amelia (a stunning Essie Davis performance)? The kid is great too. Now turn off the lights and watch it again... ★★★★★

## Saga of the Swamp Thing

Alan Moore (D.C. Comics £14.99)

*Swamp Thing* was a minor DC effort, and struggling badly until it was handed over to British wunderkind Alan Moore to revive. He promptly made it an essential read, and in doing so created not just a fine run on this title, but showed DC what he was made of – which led, of course, to the groundbreaking and timeless *Watchmen*. It holds up well, and is a taste of things to come.

## Y The Last Man

Brian K. Vaughan (D.C. Comics £10.99)

Being the last man on earth is a hoary old sci-fi staple, but Brian K. Vaughan explores exactly what it means to be with wit and élan in the first part of this monumental series. As all other men bleed out and die, Yorick is the last man standing, accompanied by his pet chimp and on a mission to find his girlfriend. A great start to a landmark series.

## Yes Please

Amy Poehler (Picador £16.99)

Former *Saturday Night Live* cast member Poehler is best known in the UK for her portrayal of Lesley Knope in the brilliant sitcom *Parks and Recreation*. It turns out she can write up a storm as well, and this baggy book is part memoir, part list, part essay and all the way funny. She's unflinchingly honest, strident, witty and wise. You'll end up wanting to be her mate.

## The Left Hand of Darkness

Ursula K. Le Guin (Orbit £7.99)

Le Guin is a much lauded Sci-fi writer with awards up the wazoo, but this may be her masterpiece. It's a book of ideas, set on Winter, a cold and lonely planet shut off from the universe, where everyone is of the same sex. An ambassador of a union of planets arrives and sets off an adventure that is both thrilling and intellectually challenging. Not a book to dip into lightly. ♣

# Classic Corner

## Withnail and I

(Arrow Video, Blu-ray £11.25)

The truth about many 'cult' films is that they're not that much fun to watch. *Withnail and I*, however is a riot of a film. It's funny, raucous, rude and packed with career peak performances. This fine Arrow edition has a 2K restoration, commentary from Bruce Robinson, documentaries and collector's booklet. It's a shame there's no cast commentary, but don't let that detract from what is a fine package – the film is a great watch on a grainy VHS, but even better tarted up. However you watch it, the dialogue is still endlessly (even tiresomely, if you've got the wrong kind of friends) quotable.

## Epson EH-TW570

[www.epson.co.uk](http://www.epson.co.uk)

While there are genuine bargains to be had in the world of audio visual entertainment – and much of the guff talked by ‘experts’ on forums about black levels and refresh rates is often pointless – it generally holds true that you get what you pay for.

And so if you get a projector for £500 you shouldn't expect brilliance. You don't have to be an expert to decide that the blacks displayed by this are definitely on the crap side, and it also doesn't do full HD. Which in 2015 isn't good enough. Plus you'll have to pay extra for 3D glasses. It adds up.

**Pros:** Cheap, Active 3D works well.

**Cons:** Cheap for a reason or three.

£240

## Pono Player

[www.ponomusic.force.com](http://www.ponomusic.force.com)

Funded by Kickstarter, supported by Neil Young, the Pono is the more affordable equivalent of the Sony NW-ZX2. At a quarter of the price, the sound is just as good as Sony's effort, with FLAC files sounding awesome.

However, it has comparable weaknesses too – it's not a looker, it doesn't have Wi-fi, battery length is average and the online store has some eye-watering prices. Clearly the brave new world of high def audio is not going to be a cheap one, but as long as it doesn't automatically download shitty U2 albums we're happy.

**Pros:** Simple to use, delivers on audio.

**Cons:** Lack of Wi-fi, clunky looks. ♣

## Sony NW-ZX2 Walkman

[www.sony.co.uk](http://www.sony.co.uk)

Like those limited edition phones and iPods embedded with crystals or platinum stripes, the NW-ZX2 is not for those on a limited budget. It's Sony's first entry into the area of high definition digital audio, pitching itself against the Pono (elsewhere on this page). It looks and sounds sweet, with 128GB memory that's also expandable, plus Wi-fi and Bluetooth. But whether just short of a grand is justified for a noticeable but hardly earth-shattering upgrade from what you've currently got depends on the depth of your pockets.

**Pros:** Does actually sound brilliant.

**Cons:** Surprisingly hefty.

As anybody who is plagued by pop-ups on their computers knows, the average webcam girls aren't quite as hot as the ones cast in this film. Brit babe Emma Leigh is worth the price of logging in alone, Ava Dalush does

good work and Italian import Stella Cox turns in another fine anal performance. But best of all is Misha Cross, who is not only as fit as all fuck, but smoulders so much she set our DVD player on fire.

## Wingmen

(Digital Playground)

The 'Wingmen' of the title are the usual porn studs acting in a way that somehow manages to be even more arrogant and dislikeable than usual – complete with some of the risibly unfunny scripting and banter we associate with porn. It's not all bad though, far from it, as we get Mia Malkova on her own and in a threesome, Chanel Preston and plenty more eye candy besides.

## Sinner's Ball

(Wicked Pictures)

The cover calls it the 'sex party of the year' and they're really not fucking kidding. It's a pretty exclusive affair, and we've never been invited to the kind of party where Jessica Drake is DP'd while another eight girls weigh in. There's something for everybody, all given that Wicked gloss (and condoms, naturally). We're just wondering when the timeless Jessica will actually begin to age. She's a wonder of nature. ★★★★★

Hard focus...

**N**ina enjoyed herself on this shoot. She managed to forget we were even there, and let her fingers do the walking. In fact, she got so carried away that she managed to rub about three orgasms out before we'd even got the photos in the bag. Once she was sated she was professionalism itself, and the shoot came out beautifully, as you can see. She then politely asked if we'd finished and, having received our reply in the affirmative, told us she hadn't and started dipping her fingers in her honeypot all over again. Some girls... ♣

**WHY DID YOU WANT TO APPEAR  
IN CLUB INTERNATIONAL?**

I want to appear in all your magazines! I grew up reading and wanking to them, so now I want people to wank to me.

**SOUNDS FINE TO US. WHAT  
TOOK YOU SO LONG?**

Well, my last few boyfriends were the jealous types who didn't want anyone else to see me with no clothes on. Now I'm single and having fun.

**GOOD STUFF. WHAT DO YOU  
LIKE TO GET UP TO?**

Sexwise? I prefer it one on one so that we're not distracted. I like to really get into a partner, get in sync so that then we can get really sexy.

**SOUNDS GOOD TO US!**

Once we're in sync, we can just fuck, or we can get really wild. I've picked up some tricks. Believe me, I know how to get a dick hard and keep it hard! ♣

**W**e had high hope for Sky TV's big budget Arctic drama *Fortitude*, but how disappointed we are by it can be summed up in our 'hilarious' one word review: *Fartitude*. That's not the fault of Sienna Guillory, however, the 39-year-old Londoner pepping things up marvelously with a nude sauna scene. It's not her first flesh flash, having showed us her funbags in 2005's *Silence Becomes You* and 2003's *The Principles of Lust*. She was also the best thing in 2003 TV show *Helen of Troy*. *Fortitude* may well suck, but we wish Sienna did as well... ♣

## CHARLES IN CHARGE!

I am an 18 year-old female geography student from Kensington, and a Daddy's little girl of the very first order. What Daddy doesn't realise is that his baby girl is a complete slut with a demonic need to be pleased 24/7.

To exemplify – I was staying over at my friend Sarah's house a few months back. We had been planning to go clubbing – I had a couple of nice boys on the go, but Sarah had a boyfriend catastrophe at the last minute and my evening quickly changed from dancing and fucking to wiping tears away and cursing the very specimens I wanted to be tucked up with!

Still, you do the best you can with a situation. I quickly tempted Sarah down the video shop where we bought Haagen-Dazs and rented a couple of flicks, one of which was a porno. Sarah's Dad, a stockbroker called Charles, drove us there and back. On the way back, I found myself noticing the way his muscles coiled their way around his vein-scored forearms as he drove his sports car. With a guilty start, I realised that I fancied Sarah's Dad! The guilt quickly settled into an illicit excitement in my loins as I noticed him looking at me in his rear view mirror. I'd known Charles for years, but had never seen

him in this light before.

When we got back to the house, Charles headed off to work in his study whilst Sarah and I prepared for our evening. We decided to watch *Pirates of The Caribbean* first and save the porno for later, when we would be guaranteed some privacy. Halfway through the movie, Sarah's bloke called up and she disappeared off to her bedroom for an extended chat, leaving me with only a freeze-frame image of Johnny Depp for company.

As I sat on Sarah's black leather sofa admiring the beauty of the pirate on the screen, melted chocolate Haagen-Dazs dripped from my outstretched spoon onto my left breast, causing me to squirm. Knowing that Sarah would be at least 10 minutes, I pulled my taut breast from within my tight basque and allowed the splat of chocolate to crawl its way toward my nipple. When it reached the edge of the red swell, I began to massage the silken brown substance into my

panties to show him my recently shaved slit and he made an 'ahhh' sound.

"Why don't you put a little chocolate in there, too?" he said. "Use both hands, get it right in there." I followed his instructions to the letter, my will no longer my own. He reached over my shoulder, grabbed my left breast and squeezed it hard, making me moan for more. After a few moments, he took me by the chin and firmly turned me around so I was kneeling on the couch facing him.

"Suck it, quickly." His blue eyes were diamond hard and his fat prick was purple ended and proud. I took the shaft into my mouth and worked the bell with my tongue, probing at its dimensions and following the veins about its girth. He moaned louder than I would have thought prudent, but since prudence obviously had nothing to do with this venture, I pushed on, opening up my throat and taking him deep into me. Charles grabbed a fistful of my hair with his right

tit. Before I knew it, my left hand was unzipping the fly of my leather trousers and pushing blindly at the shiny little bump in my panties that was my clit.

"How lovely," said a voice from behind me. I withdrew my hand with a start and looked over my shoulder to see Charles silhouetted in the doorway. "Keep going," he demanded quietly, but in a tone that brokered no argument. My heart jack-hammered in my chest as I returned to my task, slower now and with fiery purpose. I could hear Charles slowly crossing the room to stand behind the couch, his breath ragged in his throat. I looked over my shoulder to see him right behind me, his crotch inches from my head.

"Don't look at me," he hissed. I heard him unzip his fly and I let out an involuntary moan. "Show me your pussy, girl," he said, as the soft slap of his masturbation began to sound in my ears. I pulled back my

hand and rocked my head to his own rhythm, causing me to catch my breath.

He took the root of his cock tightly in his other hand, making it swell to a greater size still. I heard a door close four flights up and I panicked, knowing that Sarah was mere moments away. I tried to pull back from him, but he was having none of it! "No fucking way," he said between quick cuts of breath, and I closed my eyes and sucked for all I was worth. Either he came or we were fucked – it was simple.

I could hear Sarah on the stairs and I gagged a long scream into his engorged member, the vibrations causing him to buck wildly. And then he was cumming hard – my mouth filled to overflowing with his salted, spurting seed. I swallowed and swallowed but there seemed to be a never-ending supply of the stuff, and I daren't let a drop run free for fear of our being caught! It felt red hot but tasted so good. He whipped himself out of my mouth as the last drops of cum dribbled onto my chin.

"Sarah!?" He bellowed in his best Dad voice as he zippered himself and turned towards the door.

"Yes, Dad?" She was right outside the door!

"Can you do me a favour, honey? Can you help me find where your mother put my clean jeans?" He met her in the doorway and casually obscured her view of me, as I wiped my chin and stuffed my chocolatey breast into my top.

"Sure thing, Dad." She called over his shoulder to me, "I'll just be a second, hon."

"Okay!" I answered, trying to sound nonchalant. As they walked away towards the kitchen, I looked at the freeze-frame image of Johnny Depp still flickering on the screen. That bloody pirate has a lot to answer for, I thought, as I pulled my trousers up and headed for the bathroom. I'm just happy we weren't caught in the act!

#### WATCHING BRIEF!

I'm into woman-watching... not in any scientific way; I really don't give a fuck about how they behave or what they think. I'm talking about watching them in a purely sexual context. I get off on seeing birds

frigging themselves, going down on other birds, or getting a shafting from another man.

I'm a confirmed voyeur. I love to watch my girlfriend being fucked stupid by other blokes. My latest bit, Belinda, is a tall blonde fuck slut. She has good-sized BOBBS, curvaceous hips and a steaming hot cunt. Belinda also likes to be fucked in all three holes and doesn't mind whether the cock's in her mouth, her arse or her slot.

Belinda is an exhibitionist and likes performing in public. Not so long ago while on holiday we visited a nudist beach. I stayed in the car and watched her while she hired a sun bed and began to oil her body. Sitting on the sun lounger she poured the oil over her wobbling jugs, allowing the viscous fluid to trickle over the peaks of her erect nipples.

Lying back, she made a great show of massaging the oil provocatively into her big breasts, before rubbing it in with a series of circular motions around her areole and working it right into her nips. They hardened and grew considerably in size as she pulled and rubbed at them, making the teats shimmer as the sun reflected on their shiny wrinkled surface.

By now she had attracted the attention of several men who gaped at her with extremely thinly disguised lust – all sporting completely undisguised erections. I was very aroused myself, and, turning the car's air conditioning up, I began stroking. Meantime, having satisfied herself that she had covered every inch of her breast-flesh Belinda began to work the oil into her stomach.

Parting her legs, she bent her knees, and gave the people on the

beach a mouth-watering eyeful of her neatly trimmed chuff. Holding the bottle of oil aloft, she dribbled the fluid over her mound so that it streamed slickly into and around the pink folds of her flaps. Putting the bottle down she began rubbing and kneading herself, squeezing both sides together so as to make the oil ooze out from between her labia.

Fondling her clitoris with one hand, she began to playfully tickle her rosy arsehole with the other. I was beginning to get extraordinarily worked up and was pulling hard at my todger as she dipped her finger inside her anus and moved it about. Her bum

“

**Fondling her clitoris with one hand, she began to playfully tickle her rosy arsehole with the other”**

began to move up and down off the sun bed as she gently slid two fingers between her cunt lips.

As she began to frig herself in earnest, at least three of her admirers on the beach began to actually stand up and stroke. Belinda noticed, and began to plunge her fingers vigorously in and out of her pussy, frigging her cunt-hole hard while at the same time fingering her ring. My ejaculation jetted as I watched her stunning performance, and I was still wiping myself off when I saw her body shake and her thighs press tightly together as she climaxed on the crowded beach!

Now that was memorable. But there was even better stuff in store. Not long after Belinda's beach performance I arrived home one evening to hear loud moaning

**“She lowered herself onto his thick rod, wincing and blowing air as his chunky pole stretched her cunt”**

coming from upstairs. Walking into the kitchen I found a note stuck on the fridge telling me that she was in the bedroom with Tony, who works in our local chippie.

As usual Belinda had considerably left the bedroom door ajar. There was some pretty heavy grunting going down in there and when I looked around the door I saw Belinda on all fours at the foot of the bed being banged hard up the cunt by big hairy Tony.

Tony is Italian and is six foot tall and swarthy with it. He is well known for his prowess as a cocksmith, and is, I'm reliably told, the most sought after hammer-man in the neighbourhood. I moved closer to get a better view as Tony's arse heaved back and forth while he fucked her with short jerky strokes. Belinda was whimpering loudly while Tony pumped her. I was so turned on by this display that I quickly began to get hard and started rubbing my growing erection through the front of my trousers.

He continued to fuck her, pulling his penis out a little way then pausing before pushing it back hard inside her again. Belinda was breathing hard and making noises the likes of which I had never heard come out of her before. As Tony pulled his cock out I saw the reason for her carry-on... Tony had just about

the fattest, biggest penis imaginable.

My balls tingled and my cock stirred and thrilled, straining hard and tentpoling the front of my boxers. This scene was a true voyeur's wet dream come true and I almost splashed my load as he slapped his big fat prick against her trembling bum-cheeks. Drawing it back, he pulled her fanny-flaps apart then forced the one-eyed monster back inside her.

She gasped for air as he rammed further up inside her cunt, pushing her up onto her toes, and started slamming her again. She groaned at every thrust, as he drew it back to the entrance then rammed it inside her all the way again. Holding her hips to steady Belinda, Tony thrust even harder, employing longer strokes and working her hole in an easy rhythm. By now I had released my throbbing erection and was stroking in time to Tony's jerking hips.

Throwing her head back wildly, Belinda screamed in orgasm and her body jerked wildly before flopping down face first onto the bed.

Tony's shaft slipped out and he stepped back laughing, while Belinda's pussy spasmed convulsively, literally spitting out her cum juices until her orgasm finally faded. Her breath was still coming in short gasps when Tony picked her bodily off the quilt, and, moving around, he lay on his back, holding her on top of him and guiding her over the engorged purple head of his knob.

She lowered herself onto his thick rod, wincing and blowing air as his chunky pole stretched her cunt-lips wide. With a look of deep concentration on her face, she descended carefully inch by inch until her cunt was stuffed full of his fat cock! I didn't think that she could accommodate all of his enormous penis, but Belinda rode him like a cowgirl – her tits jiggling, whooping with pleasure each time her cunt went fully down on him.

Judging from her shrieks of ecstasy his thick truncheon must have been hitting against her G-spot. Her pussy moved faster and more urgently as, squatting over him, Belinda worked her whore's cunt up and down his shaft. Moaning lustily with every stroke, her streaming pussy glided easily up and down it as it became slick with her cunt cream.

Tony thrust his hips up to meet Belinda on the down-stroke, belting his meat into her pussy. Her mouth opened wide in a silent cry as her cunt fully engulfed his weapon. Then, riding his prick faster and harder, my girl reached for the base of it, and, with his full length inside her, gyrated her hips and began grinding his meat with her constricting pussy muscles!

It was Tony's turn to moan now – and no bleeding wonder! I could tell from his reaction that he had never experienced a slut's cunt as skilful as Belinda's before. Grinding him around inside her, Belinda slid her pussy up his shaft until only his helmet was left between her labia.

Then, leaning back, she slammed her pussy down onto him, her arse-cheeks clenched as her pussy gripped his tool like a vise and a violent orgasm shook her body. Letting out a long, loud moan, Tony's back stiffened and he slowed his stroke as he unloaded his cream inside her. Almost simultaneously, my own cock erupted, shooting wads over the carpet as I watched Tony finish fucking my woman.

# PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## FORTUNE FUCKY!

I have been distinctly partial to Oriental women for almost as long as I can remember. Even walking along the street behind them really gets my cock hard – watching their low slung bottoms sway always does it. Almost everything about them turns me on, from their sexy, petite little figures to their proclivity for wearing ankle socks with stiletto sandals.

My best mate Alan got promoted last week and his wife Helen threw a party at their house to celebrate. It was there that I met Lucy. Lucy is the most gorgeous woman of Chinese descent whom I have ever seen, and immediately Helen introduced me to her, I was seriously lusting after her body.

She has long, straight black silky hair that frames her beautiful face; her soft unblemished skin is smooth and sallow, giving her a distinctly exotic appearance, while her dark, slightly almond-shaped eyes smoulder with a passion that cannot be found in females from a colder climate. She reminds me of an exotic orchid amongst all the pale English roses.

I spent the evening buzzing around her, refilling her glass and trying to be as charming as possible in the hope of getting into her knickers later on. To my delight (and relief) she agreed to come home with me, and when the other guests were starting to leave, I called a

cab on my mobile.

When we got to my flat, I was glad I had spent time earlier tidying and cleaning in the hope I would score. What I'd never expected was that I'd score a 10! We were no sooner in the door than Lucy was down on her knees, grappling at my flies and releasing my engorged dick. I was lost for words but the rigid condition of my cock spoke volumes as it strained in my boxers.

"Mmmm!" she said, eyeing the damp spot where my helmet had leaked pre-cum onto my boxers. Then, without saying another word, she inclined her beautiful face and began licking my gonads, which she laved sensuously – her tongue swirling gently around the contours of my hairy sac. Her tongue then commenced lapping from the base of my balls, right up and along the underside of my shaft, to the tip of my bell-end. Finally, and not before I'd flung my head back a few times in excitement, she took the entire length deep into her mouth.

My hands sank into and amongst her thick, dark tresses, gently supporting her head as it bobbed up and down on my

and puffy, drenched with the dew from her feminine honey-pot, and, in her excitement, dribbles of pussy nectar trickled slowly down the inside of her thighs, exuding the sweetly pungent odour of her arousal. The heady aroma of her juiced-up pussy got me into gear for real, and, as she stepped out of her panties, my cock was ready for some truly protracted action.

Laying her gently on the carpet, I knelt between her splayed legs, and gently inserted my fingers knuckle-deep into her pussy. Her slot was warm and sticky, literally oozing hot oily pussy juice, and I was able to fit three fingers in with ease. Lucy's breath came in harsh gasps as I pushed my fingers in and out of her cunt, finger-fucking her hard and fast. It wasn't long before her gasps became loud moans and her vaginal muscles gripped my fingers tightly, clenching as I attempted to pump her cunt even harder. She orgasmed, her pussy expelling little jets of love fluid up my wrist as she climaxed.

Much as I had enjoyed finger-fucking her,

**“This exotic angel was talking dirty and demanding that I give her the bumming of a lifetime”**

rampant member, and I groaned as she fellated me expertly. My cock disappeared between her slurping lips as she clamped them strongly around my shaft, sucking deeply. Saliva ran from the corners of her mouth; she gobbled with such intensity that I was sure I would cum inside her long before I intended to.

Thankfully – though only in retrospect! – Lucy had other plans, and, getting to her feet, she rolled her tight mini-skirt up, revealing a pair of tiny, adorable yellow lace panties. In her excitement, they had ridden up tight into her crotch, and the outline of her swollen pussy lips could be seen through the damp material. It was such an erotic sight that I almost blew my load there and then.

Unable to contain myself much longer, I eased her panties down her honey-coloured legs to reveal her neatly trimmed twat. It differed to the other minges that I had seen so far, in that her pubes were wiry and straight, unlike the curly ones to which so many liaisons with British girls had made me accustomed. Her fanny lips were deep pink

by now I was absolutely desperate to get my cock inside her precious Oriental twat. Grasping my cock in her hand, she guided it into her slot with ease – grinding her hips against me so that my dick was buried to the hilt in her tight little box. Hooking her legs over my shoulders to enable maximum penetration, I began plunging my prick back and forth into the slick wetness of her gash.

With her back pressed against the rough surface of the carpet, I got into a rhythm, and as I rammed my prick in and out of her petite little body, she hung on to my arse, her long finger-nails digging into my buttocks, spurring me to plunge my dick ever deeper inside her. Feeling my ball sac tighten, however, I knew that no matter what I did, I could not hold on to my junk for much longer, so, almost – but not entirely – withdrawing my cock, I interrupted myself for a few seconds, holding my bell-end just inside her slot... before ramming it into her one last fabulous time. With a rush, my balls emptied deep inside her, filling her little love hole with my spunk.

Lucy murmured a protest as she felt me

cumming inside her, so, gently easing my shrinking penis out, I lowered my face to her streaming twat. Lapping at her luscious cunt-lips, I teased her labia apart with my tongue and delved it deep inside her, tasting our intermingled juices. Pinching her clitoris with one hand, I reached up and tweaked a nipple through the fabric of her blouse while probing her sopping slot with my tongue. As my spunk trickled from her slot, her cunt muscles clamped down on my tongue,

gripping it, and with her pussy spasming, she climaxed exquisitely – spattering my lips with her creamy pussy essence!

Later, as we lay together naked on the bed, sipping coffee and talking about the fab fuck we had just had, she let slip that she was an anal virgin, but that, with the right bloke, she would be willing to give almost anything a try. Grinning like the cat who'd got the cream, I asked her if she thought I might be that guy.

“Yes,” she said, smiling down at my hugely enlarged member. “I want you to stick that fat cock of yours right up my arse and fuck me hard and fast.” I hardly dared believe what I was hearing: this exotic angel was talking dirty... and demanding that I give her the bumming of a lifetime!

Feeling nervous, as I was sure she did not know what she was letting herself in for, I decided to go easy on her, even though she

had demanded that I do it fast and hard. Turning her over on all fours, I admired the perfection of her beautifully formed body, noting with satisfaction the pert, bouncy little breasts with their dark pointy nipples. Leaning forward, I began caressing her jugs, teasing the nipples to hardness. It was obvious that she enjoyed these attentions, as she began squirming and wriggling her hips and pushing

as I entered her fanny, it began to pulsate, tightening violently and gripping my penis.

But I was not having any of it! I had entered her cunt merely to lubricate my rod, and pulling out, placed my erect penis at her rear entrance. Pulling her arse cheeks as far apart as I could without hurting her, I prodded her virgin anus with my rampant weapon for a few instants, then, sliding gently, I breached

**“ I had entered her cunt merely to lubricate my rod, and placed my penis at her rear entrance ”**

her bottom back towards my rigid cock.

Content that she was now sufficiently aroused, I ran my hands lightly down her back and over her rounded and well-toned bottom, caressing the smooth skin, gently parting her bum-cheeks to reveal her tiny, puckered anus.

Holding her buttocks more firmly apart, I began rimming her anal orifice, enjoying the texture of her wrinkly little ring as my tongue flicked and licked, stimulating and preparing her for the rear assault that she so fervently claimed to desire. Steadying her arse with my left palm, I delved the fingers of my right hand into her sopping pussy, coating them in her sticky essence. Satisfied that they were nicely slippery, I circled her arsehole with them and pushed a digit into her back passage. It went in easily enough, and she seemed to be enjoying my rectal attentions – actively pushing her bottom back to impale her ring fully on my lubricated finger.

Feeling that she was ready for more, I eased a couple more fingers inside her to get her ready. When they too slipped in easily, I hastily replaced them with the helmet of my prick. Teasing her entrance with my dribbling cockhead, I ran the tip of it around her rear entrance. Lucy moaned with lust. Grasping her firmly by the hips I rammed my prick into her cunt, coating it liberally with her juices. She was a hot little slut, and as soon

her ring, her sphincter stretching just enough. I was inside her back passage – right up to my bollocks – and she was fabulously tight, her rectal muscles squeezing my rod... holding it as though in a vise, keeping it so rigid it felt like it might snap!

As I sawed my member back and forth in her arse, it soon became clear that she was beginning to thrill to the experience. I rode my little China girl hard, pausing only momentarily every so often with my bell-end just inside her sphincter before ramming the full length home. She was wonderfully loud about it, squealing and shrieking alternately as her hips dipped and bucked.

She came with abandon, driving me to further heights. I fucked on regardless, conscious that my climax was very near. Gripping her hips more tightly, I plunged my rod deep into her one last time, as my balls tightened and I splattered my fuck juice all the way inside her rectum. Which is the moment that I knew Lucy was the one for me...

Wild, wild breast...

**O**utdoorsy gal LouLou loves to get in her RV and disappear into the wild West whenever she can. "The city is too hectic for me," she tells *Club*, "and I don't know how people can concentrate on sex when all you can hear is traffic noise, alarms, planes going over. I like to get out here where it's quiet and we can make all the noise!"

Are you a squealer?

"I am if you're doing me right!" the 20-year-old laughs. "In my apartment I muffle my orgasms because the walls are thin. Out here I can scream and shout and it makes me cum so much harder!" ♣

What our well-placed moles are telling us this month...

## Porky Plight!

Wild dinners are all the rage here in Britain. You can't turn a London corner without tripping over restaurant chalk boards advertising the latest foraged feast, but diners at the Highway Rest Stop café in South Korea got a

primitive surprise when a wild boar smashed through the café's window. The boar's rampage continued inside as costumers scrambled out of the beast's way, even standing on tables. The wild boar wasted no time in turning the café into a ravaged ruin before trotting out through a side door. If that doesn't put you off your sausages, we don't know what will.

## Barking Blue!

Travelodge are an accommodating hotel chain, though I'm not sure if they stretch to providing cozy foxholes for the night complete with a chicken breakfast. One mysterious fox tried his luck though at the Woolwich Travelodge and even disguised himself for the occasion as most of his body had been dyed bright blue. Luckily an on-hand fox whisperer tempted the little critter out with Doritos. Clearly the furry chap didn't get the memo that dip dying went out in 2014.

## Brainless Bandit!

21-year-old Christopher Peters – nicknamed the Braveheart Bandit on account of a blue triangle tattooed down his face mimicking Mel Gibson's character William Wallace from the 1995 film *Braveheart* – was caught on the pinch eight times in 2014 and currently has three warrants out for his arrest. Peters is well known to the police as a professional shoplifter and they are currently working to apprehend him. A line to keep in mind: "It's all for nothing if you don't have freedom".

## Junk Mail!

You can do more than pop a letter in a post box these days as Paul Bennett, 45, from Wigan demonstrated in public after attempting to have sex with a post box. Witnesses reported seeing Bennett pull his trousers down and start to perform a sex act on himself before making advances to the red pillar-box and violating the cornerstone of British society. Bennett pleaded guilty to two accounts of indecent exposure and using threatening language and has been ordered to sign the Sex Offenders Register and undergo treatment for alcohol abuse.
